

Global Entry Programme

In line with the Government of India's initiatives to make people centric services more approachable, it has been decided that all Indian nationals who wish to get their background verification , for the purpose of US Global Entry Programme (GEP), can now avail this service in Dubai and Northern Emirates, provided they are holding a valid resident permit/visa to stay in UAE.

Step 1: Indian citizens applying for GEP should first apply online and submit their application in the US Custom and Border Protection website <https://tp.dhs.gov>

Step 2:Registration- Register yourself by filling out basic details at Portal of Passport Seva - embassy.passportindia.gov.in/ (select country as UAE)
Or
At - <https://mportal.passportindia.gov.in/mission/>

Step 3: Form filling & Photograph- Login using login id and password click on 'Apply for Background verification for GEP' and fill the requisite details and complete the online form and take a printout and affix your recent coloured photograph. (<https://www.blsinternational.com/india/uae/>).

Step 4: Online appointment for submission of printed form- Book an appointment for physical submission of the filled form at any of the BLS centers. ([Click here for appointment booking](#))

Step 5: Submission of application as BLS Center- Visit the BLS center where you have taken appointment as per your appointment time and date and submit your application along with requisite documents prescribed fee.

Location of BLS Centers- <https://www.cgidubai.gov.in/page/location-of-bls-centers/>

Document- Required documents can be seen at- <https://www.cgidubai.gov.in/page-links/?page=documents-required&type=sub>

Tracking- The status of passport application can be tracked by clicking "Track Status" on- <https://mportal.passportindia.gov.in/mission/TrackApplication>

Fee- Service Fee can be checked at_ <https://www.cgidubai.gov.in/page/prescribed-fees-for-different-passport-services/>
